GUIDELINES FOR PROVIDING COMMENT to the ALASKA P&T COMMITTEE
May 20th, 2005

1. All interested speakers will be required to provide the Committee with the name of their organization, the speaker's relationship to the organization and topic area.
2. The time on the agenda for each agenda item is limited. An individual's comments to the committee are limited to a maximum of five (5) minutes in total.
3. Only one speaker "slot" will be available per meeting representing a single manufacturer or interest group. Within the allowable five (5) minute time period, multiple speakers may share this "slot".
4. NO reference or information as to pricing is allowed in any comment(s). Such information will be considered reason for immediately ending the comment opportunity.
5. It is requested that comment provided in relation to specific medications be directed toward how this product is clinically superior or the specific advantage(s) it offers, new evidence/research results or synergistic outcomes which have been demonstrated.
6. Written medical information is not accepted at the P&T meeting. This is to be submitted First Health prior to the meeting.
